

REACH
Anti-Bullying & Anti-Violence Plan
2017-2018

The Anti-Bullying and Anti-Violence Plan (ABAV) for REACH School extends from a law that was put into place by the Quebec Government effective February 2012, called Bill 56.

In collaboration with Riverside School Board, we will work with all of our students, staff and parents to maintain a safe and caring learning environment for everyone.

Definitions:

Bullying: *refers to any repeated direct, or indirect behaviour, comment, act or gesture, whether deliberate or not, including in cyber space which occurs in a context where there is a power imbalance between the persons concerned and which causes distress and injuries, hurts, oppresses, intimidates or ostracizes.*

Violence: *refers to any intentional demonstration of verbal, written physical psychological or sexual force, which causes distress and injuries, hurts or oppresses a person by attacking their psychological or physical integrity or wellbeing. Or their rights or property.*

Prevention Practices

- The REACH code of Conduct outlines how all students, staff and parents must behave in a respectful manner towards everyone in the school community. It is distributed to all school members' and parents at the beginning of each school year.
- Implementation of social stories, role-playing and spiritual animator programs as needed.
- A prominent bulletin board is displayed at the school entrance displaying our anti-bullying activities (i.e. presentations by animators, other schools or professionals, community awareness activities and sensitization to our special needs students, information sessions in collaboration with Saint-Lambert CLC...etc)
- Encourage communication in the school community
- Pay it forward initiative and monthly random acts of kindness recognition assembly
- post photos of anti-bullying activities on REACH Facebook and RSB website
